

Atty. Docket No. EDC-001 (2144/4)

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

APPLICANTS: Laracey et al.

SERIAL NO.: 09/602,697

GROUP NO.: 3624

FILING DATE: June 24, 2000

EXAMINER: Subramanian, N.

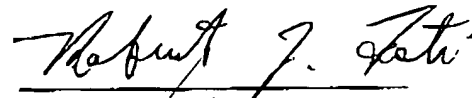

TITLE: ELECTRONIC BILL PRESENTMENT AND PAYMENT

RESPONSE TO RESTRICTION REQUIREMENT

This paper is responsive to the Office action mailed on December 31, 2002. The action requires election of one of three claim groups, Groups I-III. Claims 1-24 are pending in this application.

Applicants elect, with traverse, Group I, which corresponds to pending claims 1-11. Applicants submit that a search and examination of all claims (i.e., claims 1-24) would not impose a serious burden on the Examiner. Section 803 of the MPEP indicates that "[i]f the search and examination of an entire application can be made without serious burden, the Examiner must examine the entire application on the merits, even though it includes claims to independent or distinct inventions." Applicants submit that a search of any of the three Groups would produce pertinent art, if any, to each of the Groups, and thus the restriction requirement should be withdrawn and all pending claims searched and examined.

Respectfully submitted,

Robert J. Tosti
